## ABOUT SVARANG

A premium, sound-treated music space designed for artists, singers, musicians, creators, and professionals who want a focused studio environment with luxury comfort.

Whether you're here to practice, compose, record your next track, or build a music portfolio, the Aviyaan Music Room offers flexible options—from studio-only sessions to full production and cinematic recording.

### Ideal for:

#### Song practice & preparation

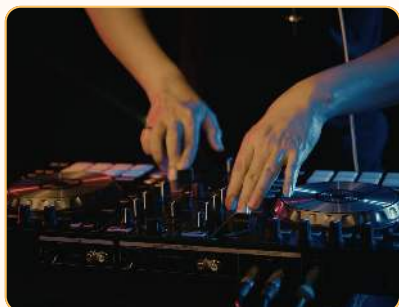

#### Music composition sessions

#### Single-track recording (up to 10 minutes)

#### Mixing & mastering (1 track)

#### Acoustic sessions & singer portfolios

#### Branded music content
